

CCI Chair Report

July, 2017

Dear CCI,

Our June CCI meeting was at the end of the month so it has only been 2 weeks since I last reported. In that time, the Board has met, the Region 5 July Assembly met via conference call, the Ohio Day of Sharing planning committee has continued its' work, and the Unity Train has chugged along. In a nutshell.....

TREASURER POSITION

The board is recommending that Marilyn begin taking over for Karen ASAP. She will not have access to the credit card or checking account until she is duly elected but can begin the day to day operations. Marilyn has since remembered some IG service back when she was new to the program and so we can have an election any time now. Yay! In order to give notice, we will hold it in August versus September. We will need a quorum to vote her in. **PLEASE COME TO THE AUGUST CCI MEETING!** I know summer is hard but please try!

OHIO DAY OF SHARING/Geauga Day of Sharing

RECOVERY RECOVERY RECOVERY! Both events are Saturday, August 5th 9:00am-3:00pm.

The Cleveland ODS program committee is planning a great day in Columbus and we continue to meet around a Unity Train meeting. Next we attend the Cleveland Hts. Friday night meeting on July 14th. The day will focus on our OHIO theme and we are sharing the event with the Columbus, Cincinnati and Dayton IG's.

The Tuesday night Middlefield Meeting is planning the Geauga Day program and is focusing on the Slogans. How cool is that?

Unity Train on down. Or up!?

UNITY TRAIN (20 meetings to date)

Since the last report, I have attended 3 more of our meetings.

1. Tues PM Brunswick
2. Thurs AM Elyria
3. Fri. PM Cleveland Hts. (ODS Planning Committee meets too!)

REGION 5 JULY ASSEMBLY

Jo and I joined the conference call (no longer a face to face weekend assembly) on Saturday, July 8th. The Assembly reported progress on various projects and committee work. And.....

1. Officer vacancies for Secretary and Vice-Chair coming up for 2018. Recruiting candidates.
2. Region 5 can send an additional delegate to WSBC. If interested, let Jo or I know.
3. Convention in Cincinnati October 20-22. Have you registered? The unofficial count is 135 registered to date with a good cross-section of the region represented. Wow! It is going to be wonderful!

In 2020, it will be Cleveland's turn to host the convention. Indianapolis will be 2018 and Milwaukee is making a bid for 2019. It is our turn. Your thoughts?

As a precursor, would you like to host the Region 5 Assembly next March? That is when the reps and delegates from the IG's come and conduct business. Hosts volunteer to help the registration desk, make copies, run errands etc..and sponsor the OA meetings. Plus CCI could experience a Region Assembly. Good stuff. Your input?

Hmm....quite a lot for 2 weeks.

Thank you for all **you** do! Because you know what? You do a lot!

Juliette
CCI Chair
